

GOVERNMENT OF ANDHRA PRADESH  
ABSTRACT

I&CAD(PW) Department – For construction of Dams on river Godavari at Dummugudem, Khammam District, Kanthanapally, Warangal District and at Polavaram, West Godavari District and installation of Electro Mechanical Structures for Hydro Electric generation – Permission – Accorded – Orders – Issued.

-----  
IRRIGATION & CAD (PW:MAJOR IRRIGATION.III) DEPARTMENT

G.O.Ms.No. 21

Dated:11-03-2010.

READ:-

G.O.Rt.No.1113, I&CAD(PW:Maj.Irr.III) Deptt., dated:31.12.2007.

>><

ORDER:

In the reference read above, Government in I&CAD(PW) Department have transferred the files relating to Hydro Electric Projects i.e. Dummugudem, Singareddypalli etc., to the Energy Department. Subsequently, APGENCO has requested that Dams on river Godavari should be constructed by the Irrigation Department from their budget incorporating all civil structures enabling it to generate Hydro Electricity, so that APGENCO is able to get the Techno Economic clearance from Central Electricity Authority. The A.P.GENCO has reported that the projects may become financially unviable, if Dam's cost is added to the projects.

2. The matter was discussed in the review meeting of the Irrigation Department by the Hon'ble Chief Minister and decided that while APGENCO will be the consultant to Irrigation Department for Hydro Power generation components, the work can be carried out by the I&CAD Department from their budget. After completion, the Projects will be handed over to APGENCO for generation as per terms of agreement between I&CAD and APGENCO in accordance with relevant Government orders in vogue.

3. In view of the above, and after careful examination, Government agrees with the proposal of APGENCO and hereby accord permission for construction of Dams including Hydro Electric Component on river Godavari under Dummugudem Hydro Electric Project, Khammam District, Kanthanapally under P.V.Narasimha Rao Sujala Sravanti Project in Warangal District and at Polavaram under Indira Sagar (Polavaram) Project, West Godavari District and other Hydro Electrical Projects on rivers by the Irrigation Department incorporating all civil components for Hydro Electric generation and installation of Electro Mechanical structures. Further the above arrangement would ensure single line execution of the projects and proper project management and completion within the Project period. APGENCO will extend all cooperation, technical and supervisory in consultancy to I & CAD Department for this purpose as per mutually agreed terms and conditions between I&CAD and APGENCO.

4. The above said guidelines/instructions are to be followed in all similar future Hydro Electric Projects in the State on major rivers and their tributaries.

5. This order issues with the concurrence of Finance (W&P) Department vide their U.O.No.327/F.4(1)/2010-1, dated:16-02-2010.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
